WORLD'S BEST GLUE GUN

Is of the same general design as the
Bigge/Micro-X glue gun of several years
ago with improvements in the seal where the
"cleaning / micro drop delivery wire" enters
the neck of the long narrow gauge delivery
nozzle. It now has a curved pickup tube that
is close to the side of the bottle. \$10.00
plus \$1.00 post will put one of these
wonderful tools in yours hands. Send your
