The diagram consists of two parts. The top part is a cross-section of a dome, showing a semi-circular shape with a horizontal line across the middle. A small circle is drawn at the center of this horizontal line, and a small circle is drawn at the top of the dome. The bottom part is a plan view of the dome, showing a semi-circular shape with a horizontal line across the middle. A small circle is drawn at the center of this horizontal line, and a small circle is drawn at the top of the dome. The diagram is labeled with '3' at the top and '1:10' in the center.
